

MARKETING SPECIALIST, DATA ANALYTICS & VIZ

Maria Gabriela Calleja

☎ (754) 312-0163

✉ macallejat@gmail.com

📍 Fort Lauderdale, FL

I'm a Marketing Analyst passionate about turning data into meaningful stories that drive smarter decisions. With expertise in eCommerce analytics, KPI measurement, and A/B testing, I uncover insights that help businesses grow. Skilled in SQL, BigQuery, Tableau, and advanced Excel, I create dashboards and focus on down to earth communication that make data actionable. My experience spans trend ID, collaboration, strategy optimization and data viz & comm. Analytical yet approachable, I bring curiosity, adaptability, and clear communication to every project. Fluent in English and Spanish, I offer a global perspective and genuine enthusiasm for helping teams succeed.

EDUCATION

MARKETING LICENCIATURA

Tecnologico de Costa Rica

Honors grad, AVG : 9.1/10

2018 - 2019

BUSINESS ADMIN BACHELOR

Tecnologico de Costa Rica

2013 - 2017

EXPERTISE & SKILLS

TECHNICAL SKILLS

- SQL & BigQuery
- Tableau (including Tableau Prep)

LANGUAGES

- Fluid oral & written: English - Spanish

WORK EXPERIENCE

LLBean

MARKETING DATA ANALYST, MAY 25 - PRESENT

- Led eCommerce analytics initiatives, including KPI measurement, and site enhancement assessments, to optimize digital performance.
- Designed and implemented dashboards and analytical tools using SQL, BigQuery, Tableau, and Excel, enabling data accessibility and strategic decision-making across teams.
- Delivered actionable insights through trend analytics, supporting leadership reviews, budgeting, and cross-functional planning.
- Leadership of the Outdoor Experience initiative, planning and coordinating activities for an 8-member team while representing L.L.Bean's values and heritage internally.

ASSOCIATE MARKETING DATA ANALYST, OCT 22 - APR 25

- Delivered marketing insights by sourcing and validating datasets, analyzing KPIs, and monitoring website trends to optimize performance and presented insights in team meetings.
- Maintained and developed dashboards and reports using tools like Tableau and Google Analytics, ensuring accurate campaign tracking, data accessibility and marketing KPIs monitoring.
- Supported marketing analytics by sourcing and validating basic datasets for campaign performance tracking.
- Pulled data and performed statistical calculations for A/B tests to optimize marketing features.
- Collaborated cross-functionally to ensure accurate data requirements and reporting processes.

Procter & Gamble

DEDUCTIONS FINANCIAL DATA ANALYST, APR 21 - OCT 22

- Managed analytics, validation, and resolution of Kroger US deductions, ensuring accurate collection and clearing of unpaid items.
- Delivered trend and cash flow impact analysis, identified root causes, and supported promotional marketing wallet management.
- Led projects including team process cleanup, continuous business improvement, served as specialized point of contact for aged deductions, and participated as an auditor for pending balances.

COLLECTIONS FINANCIAL DATA ANALYST, OCT 17 - MAR 21

- Managed invoice collection for North America, Australia, and Asia retail customers, ensuring timely resolution and KPI compliance.
- Conducted trend and cash flow impact analysis, identified root causes, and implemented corrective actions to optimize financial performance.
- Delivered process improvements and collaborated cross-functionally to enhance collection efficiency and customer relationships.
